

- **Personal data**

Name	Nektarios Vlahakis
Position	Professor
Address	Department of Physics Section of Astrophysics, Astronomy & Mechanics National and Kapodistrian University of Athens Panepistimiopoli, 15784 Zografos Athens, Greece
Tel.	+30-2107276903
e-mail	vlahakis@phys.uoa.gr
URL	http://users.uoa.gr/~vlahakis/

- **Education**

- Diploma in Physics, Aristotle University of Thessaloniki
- M.Sc. in Physics, University of Crete
- Ph. D. in Astrophysics “Analytical modeling of Cosmic Winds and Jets”, University of Crete

- **Courses**

- Mechanics I
- Fluid Dynamics
- Electromagnetism II
- Plasma Astrophysics
- Basic Topics in Astrophysics (graduate course)
- Plasma Astrophysics (graduate course)

- **Research Interests**

- Relativistic/non-Relativistic Magnetohydrodynamics
- Astrophysical Jets associated with AGN, GRBs, YSO
- Plasma Equilibrium and Stability
- Polarization of Synchrotron Radiation
